

NOVEMBER 3-4, 2015

8:00am - 5:00 pm

Plaza Athenee Hotel – Bangkok, Thailand

Organizations, just as living organisms, are always experiencing change.

The problems that existed when the company started aren't going to be the same problems you're experiencing now. Statistics say that 80% of the problems you're dealing with now existed last year as well. The other 20% either get resolved or disappear as your organization evolves. *Isn't it time you started addressing the issues most relevant to ensuring your company's success?*

Seminar Agenda
